Hospitals for providing the frontline with the first
aid capacities – Mobile stabilization centers

Rationale for having mobile hospitals/clinics

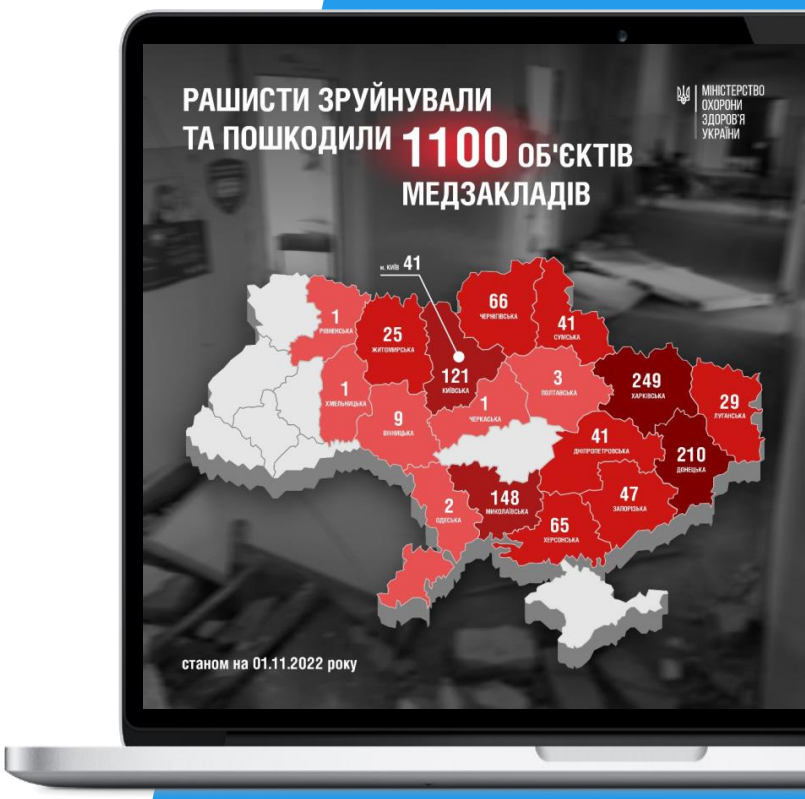

Appalling figures of the RF crimes against civilian Ukrainians.

❗ The RF damaged 1,100 healthcare infrastructure nodes for 8 months. 144 hospitals have been destroyed.

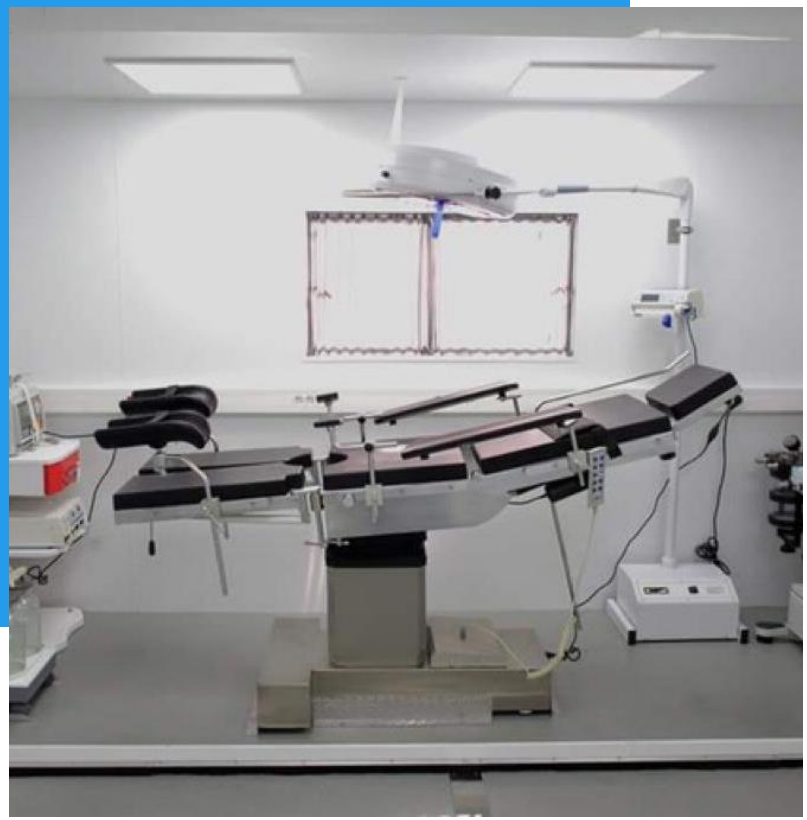

❗ 95 healthcare institutions have been restored.

❗ 204 healthcare institutions have been partially rebuilt.

Recovery of the destroyed healthcare institutions is estimated to cost over 38 billion UAH (almost $1 billion).
